

Hako Cleanol Xtra

Floor cleaning

Product description Strong floor cleaner for the daily cleaning.

Properties Low foaming.
Light alkaline
Suitable for use in scrubber-driers.
Suitable for use on all waterproof hard floor coverings.
Is permitted for use within the HACCP work programme.

Usage Hako Cleanol-Xtra is suitable for use on any type of hard water-resistant floor coverings. Hako Cleanol Xtra was developed specifically for the daily cleaning of medium soiling. When used on a syntetic floor, always first test on a hidden surface area. Do not use on acryl copolymer coatings.

Dilution 10 - 50 ml per 1 litre water (1 - 5% / 1:100 - 1:20)
Depending on the amount dirt.

Instruction Add, depending on the amount of dirt and the type of floor, the right amount product to clean, cold water. Clean the floor with a scrubber-drier. With heavy pollution, let the product soak for several minutes. Do not use on acryl copolymer coatings.
