The JCB 30E 2WD Electric Teletruck is a game-changer for material handling in tight spaces. Powered entirely by electricity, it's clean, quiet, and perfect for indoor use where emissions and noise are a concern. With its unique telescopic boom, the 30E 2WD makes light work of loading and unloading, reaching places that standard forklifts simply can't. It's a smart choice for anyone looking to boost productivity while cutting down on running costs and environmental impact.
